JONO AND BEN'S PINEAPPLE DEBATE

Sizzlers are the iconic precooked sausage that Kiwis have grown up with – Original, Cheese and Double Cheese all hit the spot but what about pineapple in sausages? Well, say 'aloha' to the new Hawaiian Sizzler.

In celebration of the new Hawaiian Sizzler, Jono and Ben are bringing you the iconic Pineapple debate. Tune in weekdays, 6-9am, to have the chance to guess who has the correct amount of money in their hollowed-out pineapple.

If you can pick who is telling the truth, you'll win the cash and a pack of Hawaiian Sizzlers (available for a limited time only)!
